Municipal Collection 86-48 (Sl 42) is

put up. The Shops carrying on Business  
on the aerated water Manufacturing are now  
levied a licensing fee of Rs 50/- In view  
of the variation in the magnitude of Business  
the Municipal Council has proposed to classify  
them into three classes and levy fee at  
Rs 50/-, Rs 20/- and Rs 10/- depending upon  
their earnings which in effect means a  
certain amount of Relief to this class  
of traders

2) The Schedule to the notification indicates  
the following classification -

The Municipal Commissioner  
Davangere City Municipality -  
(through the president)  
D/ 13097/50-ST of 28.3.51

Received letter No H.C. 81/53 ST dated  
27.4.53 from  
Davangere  
Municipal Commissioner  
Forward to Resolution

of the Municipal Council approving the  
licensing of shops on Rental Value.

12) Reference is invited to notes  
and orders in paras 5-6 ante. In accordance  
with the suggestion at para 3, the Municipal  
Council has since resolved to levy ~~cases~~  
of fee for licensing places used for -  
the manufacturing of Ice and Aerated  
waters having the levy on Rental Value  
of the places. The resolution is for  
period. The Municipal Council does not  
appear to have ~~realized~~ realized the  
difference between "a shop carrying  
business in Ice or Aerated water" and "Ice  
or Aerated water manufactory". The latter  
is the word existing in the bye-law as it  
stands now. The former word, as is used  
now in the proposed amendments will be  
applicable to all shops where Ice or  
~~compressed~~ Aerated water is sold. The intention  
is, evidently, to levy fees for licensing  
manufactories and not retail shops. A  
Manufactory is something more than a

Serial  
No

Shop. Selling in Retail, Ice or Aerated  
waters is not proposed to be  
licensed as can be made out  
from the premises in the file. Retailers  
are already subject to profession  
tax in Davao City. The levy in  
question can be only on premises used  
for manufacturing and not on places  
where Ice or Aerated water is retailed.  
The present notification calling  
for objections is defective and  
gives room for doubt.

13) Apart from the above, the bye-law  
on this subject which was in force in  
Davao City is since modified.  
The present levy at Davao is not  
on Rental Value as previously noted  
at para 6. The present levy in the report  
is on flat rate viz

- (1) Ice Manufacture P 15/-
- (2) Aerated water 20/-  
Manufacture

14) In view of the above, it appears  
necessary to ask the Municipal  
Commissioner to modify his amendment  
strictly in accordance with the  
terms of the Act. The other point  
for consideration is if it may be  
suggested to the Municipal Council to

Serial  
 No

14) adopt the same flat rates as are  
 existing now in the same City Municipalities

8169/52  
 2897

Ref Para 6 and 9-11 ante  
 The above note, I think, makes  
 matters worse & confusing. The  
 letter of the Com<sup>r</sup> may have  
 been perused. The Council have  
 proposed to levy license fees at  
 rates as noted in the notification (1-10-52)  
 There are no objections. One  
 rate proposed may be  
 approved

17) According to Section 51(2) of the City Municipalities Act, every Municipal Council shall before making any bye-law under this Section, publish in such manner as shall in its opinion be sufficient, for the information of the persons likely to be affected thereby, a draft of the proposed bye-law, together with a notice specifying a date on or after which the draft will be taken into consideration and shall, before making the bye-law, receive and consider any objection

or suggestion with respect to the draft which may be made in writing by any person before the date so specified. In this case, the bye-law has been published for the information of the persons likely to be affected. Therefore, provisions of Section 51 (2) are complied with.

Secondly, according to Section 51 (3) when any bye-law made by a Municipal Council is submitted to the Government for sanction, a copy of the notice published as aforesaid and of every objection or suggestion so made, shall be submitted for the information of the Government along with the said bye-law. Even this has been complied with.

(5) From the approved bye-laws issued already, it is seen that the bye-laws for licensing of places used for manufacturing Ice or aerated waters have been framed on the basis of rental value of the place where the business is carried on - vide flag 'A' (page 36 of the approved bye-laws). The same rental value has been retained in the amended bye-laws regarding licensing of ice or aerated water manufactory. Therefore, every provision of law has been complied with and the bye-laws are legally in order. This is with reference to para 16.

(7) But a small printer's mistake has occurred in the notification published. It is this, i.e., instead of printing the words "the rate of licensing fee leviable" it is printed as "rate of licensing fee available".

(8) The second mistake is, the word 'rental' has been omitted between the words 'annual' and 'value' in the classification No (1) pertaining to shops (flag 'T'). If

these are considered as clerical mistakes, then the  
Notification may be finally approved If it is considered as  
a serious defect, the bye-laws should be notified afresh

Secretary, L S G )

21) for remarks of the two  
Verbal mistakes pointed out above  
would necessitate the ML Council  
being asked to notify the bye laws  
afresh

22) Law Secy )

~~Since the license fee is proposed  
to be fixed on the rental basis it  
seems necessary to notify the  
bye-laws afresh, since the proposal  
to levy license fee on the rental  
basis involves a radical change  
in the proposed amendment~~

23) The defects noted do not  
appear to be serious as to vitiate the  
action so far taken The word 'available'  
printed instead of 'tenable' is an obvious  
mistake which cannot be deemed to mislead  
anyone who reads the notification in full

The omission of the word rental in item 1  
does not also lead to any misunderstanding if  
a person reads the notification in full since  
the basis of levy is mentioned in the notification  
and is also made clear in item 2 of the  
statement. Further 'annual value' also  
means annual rental value and not any other  
value. In the City of Bangalore Municipal  
Corporation Act, 1949, the property tax is  
assessed on the basis of annual value of buildings  
(vide sections 99 and 100) <sup>and in</sup> ~~but~~ under the Mysore  
City Municipalities Act, 1933, the rate on  
buildings is determined on the basis of  
'annual letting value'.

The mistakes referred to are practically clerical  
ones and seeing the notification as a whole it is not  
likely that any reasonable person will be misled by  
the mistakes referred to. The notification is ~~satisfactory~~  
in substance correct and it does not require  
republication.

11th November 1950

Sir,

*MS* I have the honour to state that the Municipal Council at its General Meeting held on 24-8-1949 have resolved that the existing sanctioned rates of licensing fee of Rs 50/- sanctioned in G.O. L 5130-1 mc 86-48-42 dated 11-11-1948 that is being levied at present on shops carrying business in ice, or areated water manufactory under Section 51 (1) (b) (IV) of the City Municipalities Act 1933, might be amended and fixed at Rs 10/- 20/- and 50/- respectively according to the scales of income as detailed in the notification

Notification G.O. 260/ 50-51 dated 10th October 1950 was published in the Gazette and also in the City calling for objections to the amendment, proposed by the Council. No objections were received in response to the said notification within the stipulated period.

This subject was placed before the meeting of the Council held on 22-11-1950, when it was resolved that sanction of Government may be obtained to the amendment proposed since no objections have been received in this behalf.

A copy of the resolution and the notification are herewith enclosed. I request that sanction of Government may kindly be obtained for the amendment proposed by the Municipal Council.

Yours faithfully,

Subject - By laws Relating  
to Licensing of Shops carrying  
business in ice and aerated  
waters - Amendment of

Sir

With Reference to your  
letter no. 40 111/50 51 dated  
30-11-1950 on the above  
Subject I am directed to  
state that the proposal to  
fix the Rate of License fee on  
the basis of the volume of  
business considered to present certain  
practical difficulties unless

provisions on a more empowering the  
municipal Council on city authorities as raised by it on  
this behalf ~~authority~~ to have access to and  
choose the accounts also, the details  
of which requires a thorough  
examination

In the cities of Mysore  
and Bangalore Rental Value has  
been adopted as the basis for  
determining the license fee  
as respect of these grades, which  
is more simple and definite  
~~I am to request you~~  
therefore to suggest that the  
municipal Council should not  
consider the adoption of this  
basis subject <sup>if necessary</sup> ~~if necessary~~  
to any measure that may  
be considered <sup>reasonable</sup> ~~necessary~~

Sir

Bye-Laws relating to licensing of shops carrying business  
in Rice and sweet waters-amendment of-  
----

With reference to your letter No H C 111/50-51 dated 30-11-50 on the above subject, I am directed to state that the proposal to fix the rate of license fee on the basis of the income is considered to prevent certain practical difficulties unless provision is made empowering the Municipal Council or any authority authorised by it in this behalf to have access to and check the accounts also, the desirability of which requires thorough examination

In the Cities of Mysore and Bangalore rental value has been adopted on the basis for determining the license fee in respect of these trades, which is more simple and definite. I am therefore to suggest why the Municipal Council should not consider the adoption of this basis subject if necessary to any minimum that may be considered reasonable for the purpose
